Terms of your agreement with Sequoia Asset Management Pty Ltd (“Licensee”) ABN 70 135 907 550 AFSL 341506

This document contains important information regarding the terms and conditions which apply to your brokerage account arranged by Licensee with Morrison Securities. These terms and conditions apply to all dealings between you and us. By placing an Order with Morrison Securities (either directly or through Licensee, the holder of an Australian Financial Services Licence, who has an arrangement with Morrison Securities to transact on your behalf), you accept the terms and conditions contained in this document.

PLEASE READ THIS DOCUMENT CAREFULLY AND RETAIN IT FOR YOUR FUTURE REFERENCE.

I. Your agreement with Licensee

Morrison Securities is admitted as a Trading Participant of one or more Australian Exchanges. Morrison Securities is also admitted as a Clearing Participant in accordance with the operating rules of ASX Clear Pty Ltd ABN 001 314 503 (**ASX Clear**), a wholly owned subsidiary of ASX Limited ABN 98 008 624 691 (**ASX**).

Licensee has entered into an arrangement with Morrison Securities under which you may place orders with Morrison Securities through the Licensee to buy or sell or otherwise deal in Exchange Traded Products.

If you wish to buy or sell or otherwise deal in Exchange Traded Products on an Australian Exchange, the Licensee will (as your agent) communicate your Order to Morrison Securities. If and only if the Licensee grants you access to the online broking/direct market access system (**DMA Service**), you may also place Orders directly with Morrison Securities through the DMA Service. Morrison Securities will, subject to these terms and conditions set out in this document and in your separate agreement with Morrison Securities, execute or facilitate that Order on your behalf and will clear and settle the Exchange Transactions that result from the execution or facilitation of your Orders. Accordingly, Morrison Securities will carry the obligations to complete the sale or purchase, together with all the obligations which are ancillary to the completion (**Settlement Obligations**). Morrison Securities must also settle such Exchange Transactions as principal with ASX Clear or the relevant counterparty even though the Exchange Transaction was entered into on your behalf. Accordingly, your clearing and settlement obligations under the sale or purchase contract are owed directly to Morrison Securities and not to Licensee.

2. Your relationship with Licensee

Your primary relationship will be with the Licensee. Your relationship with Morrison Securities will be limited to the execution or facilitation of Orders and the clearing and settlement of the resulting Exchange Transactions. You acknowledge that Morrison Securities will not provide financial product advice, or legal, tax, financial or accounting advice or make any financial product recommendations to you or give a Statement of Advice to you as part of the service to be provided to you by Licensee or Morrison Securities. The Licensee may provide General Advice that does not take into account your financial circumstances, but will not provide legal, tax or accounting advice or give a Statement of Advice to you as part of the service to be provided to you by Licensee.

3. Trading in ASX derivatives products, warrants and partly paid securities

3.2 Warrants

If you wish to trade in ASX Warrants, you will need to enter into a Warrant Client Agreement with Morrison Securities. Accordingly, before you may place an Order to trade in Warrants (other than an Order to sell a Warrant already held by you), you will need to sign and return the Client Application to Licensee (who will pass this to Morrison Securities) or otherwise confirm in writing to Licensee (who will pass your written confirmation to Morrison Securities) that you agree to be bound by the terms of this agreement (including schedule 1 of Part E, Morrison Securities Equities Terms and Conditions).

6. Account opening

You may apply to open a new Client Account with Morrison Securities and Licensee by completing an Application. Morrison Securities and Licensee may refuse to open a new Client Account for any reason in its absolute discretion.

You warrant and represent that:

- (a) the nominated account is an account in your name;

- (g) each Order you place and each Exchange Transaction executed for you is lawful and you will at all times be in a position to meet all commitments on your part arising from Exchange Transactions under this agreement.

7. Orders and instructions

You agree that, if you wish to place any Order, you must do so with the Licensee, and you authorise the Licensee, as your agent (and not as the agent of Morrison Securities), to communicate your Order and other instructions or information to Morrison Securities. You may only terminate the Licensee's authority to act on your behalf by terminating this agreement.

As a Participant of one or more Australian Exchange, subject to your instructions, Morrison Securities is required to handle and execute Orders in accordance with the ASIC Market Integrity Rules. A copy of the Morrison Securities Best Execution Policy is included with the Morrison Securities Terms and Conditions and, if it is amended by Morrison Securities, Morrison Securities will make such amendments available on its website or through Licensee, or will otherwise notify you of the amended Best Execution Policy.

If (and only if) the Licensee grants you access to the DMA Service, you may also place Orders directly with Morrison Securities through the DMA Service and you agree to be bound by the terms set out in Schedule 3 of the Morrison Securities Terms and Conditions.

Morrison Securities will not act on any Orders or other instructions or information communicated directly to it by you and not through the Licensee (other than an Order placed by you directly with Morrison Securities through the DMA Service if the Licensee grants you access to the DMA Service).

Either the Licensee or Morrison Securities may at any time, in their absolute discretion, refuse to accept any (or may place a limit on any) Order from, or execute Orders (including without limitation Orders relating to Derivatives Transactions) for, you (whether the Order is placed directly by you through the DMA Service or by the Licensee on your behalf). Morrison Securities may also direct the Licensee to refuse to accept any (or to place a limit on any) Orders from you.

Integrity | Technical Expertise | Professionalism

You acknowledge that Morrison Securities may at any time in its absolute discretion direct Licensee to:

- (a) refuse to accept you as a client or not to accept Orders from you; or
- (b) refuse to accept a particular Order from you.

Morrison Securities will not confirm to you the receipt of, nor will it be responsible for verifying the authenticity of any instructions given to it by or on behalf of you.

Subject to any instructions from you, Morrison Securities will generally execute Orders in the sequence in which they are received. However, you acknowledge and agree that:

- (a) your Order may be automatically crossed against other orders before reaching the Market;
- (b) you will be charged the normal rate of commission by the Licensee for Orders which are crossed with Morrison Securities or the Licensee's principal orders; and
- (c) Morrison Securities or Licensee may not be aware of principal orders that are being (or may be) executed, and that direct market access arrangements and program trading may make it impossible to prevent principal orders from being executed at the same time as (or before) your Order. Accordingly, you agree that Morrison Securities may execute principal orders where your Order on the same terms is outstanding and that this document constitutes disclosure as required by ASIC Market Integrity Rule 5.1.8. Unless you notify Morrison Securities to the contrary, you will be taken to have consented to Morrison Securities (and/or any of its related bodies corporate) trading as Principal with you and agree to pay such commission (if any) on such transactions, each time you place an order with Morrison Securities through Licensee;
- (d) an Order once accepted by Morrison Securities may not be transacted and an Order to transact an AQUA Product through the ASX Managed Fund Settlement Service is subject to acceptance by the issuer of the product and an application for issue or redemption of a product may be rejected; and
- (e) an Order to transact in an AQUA Product is not traded on a Australian Exchange and comprises an application by you to the relevant product issuer. You acknowledge and agree that:
 - (i) Morrison Securities does not control and cannot procure the issue or redemption of AQUA Products or the processing of requests for issue or redemption of, or switch between, AQUA Products;
 - (ii) Morrison Securities has no liability to you or Licensee with respect to any action or failure to take action by an issuer or other Settlement Participant in connection with a request for issue, redemption or switch of AQUA Products including (without limitation) an issuer's failure to issue or redeem AQUA Products or make available redemption monies or to deliver AQUA Products.

8. Licensee's use of DMA Service

Morrison Securities may provide a DMA Service to the Licensee under which the Licensee may place your Orders directly into a Trading Platform through an electronic automated client order process. You acknowledge that if Morrison Securities provides a DMA Service to the Licensee:

- (a) there may be delays in the processing, execution, amendment or cancellation of an Order entered through the DMA Service and:
 - (i) an Order may be wholly or partly filled before an instruction for its amendment or cancellation is processed; and
 - (ii) you remain liable to settle the original Order, until any relevant amendment or cancellation is effected;
- (b) the execution of an Order placed through the DMA Service may be delayed by filters or other electronic features of the electronic system;
- (c) neither Morrison Securities or the Licensee is responsible for the processing, execution or cancellation of any Orders submitted through the DMA Service, regardless of who enters such Orders and regardless of whether or not there is an error in the Order entry or for any delays in relation to the same;
- (d) except as required by law, neither Morrison Securities or the Licensee makes any representations or warranties express or implied with respect to the DMA Service;
- (e) there are significant risks in trading through a DMA Service because it is serviced by means of computer and telecommunications systems, even where generally accepted industry standards and practices are followed, including that your data may not be protected, and there are risks that other users of the DMA Service, institutions or brokers may be able to see your Orders and other communications relating to trading and execution without your (or Morrison Securities or Licensee's) consent and that third parties (including persons on private networks) will have the ability to attach to your network; and
- (f) Morrison Securities may terminate the Licensee's participation in the DMA Service at any time without notice to you. If Morrison Securities terminates the Licensee's participation in the DMA Service, any access that the Licensee may have given you to the DMA Service will terminate at the same time.

9. Orders relating to sales

You agree that whenever you place a sale Order with the Licensee, you must notify the Licensee whether or not your sale Order is a covered short sale – i.e. a sale where you have, at the time you place the sale Order with the Licensee, a legally binding commitment from a securities lender to lend the securities to you under a Securities Lending Arrangement.

Where your sale relates to a covered short sale, you must also inform the Licensee at the time of placing the sale Order:

- (a) the number of Exchange Traded Products to be sold that are to be delivered under the Securities Lending Arrangement;
- (b) a description of the Exchange Traded Products (e.g. fully paid ordinary shares); and
- (c) the name of the entity that issued the Exchange Traded Products (e.g. BHP Billiton Limited).

You acknowledge that neither the Licensee nor Morrison Securities will be permitted to execute a sale Order for you unless you have informed the Licensee whether or not the sale Order relates to a covered short sale. You agree that, each time you place a sale Order with the Licensee and notify the Licensee that the sale Order relates to a covered short sale, you will be taken to have warranted and represented to Morrison Securities and the Licensee that the sale will meet the requirements and conditions of the Corporations Act, Corporations Regulations and ASIC Class Orders (if any) (as amended from time to time) relating to covered short sales, (including without limitation that you have obtained a legally binding commitment from a securities lender to lend the relevant securities to you under a Securities Lending Arrangement).

- (f) you will not place an Order for an AQUA Product unless you have received and read the Product Disclosure Statement relating to the product and the ASX Fact Sheet in relation to the ASX Managed Fund Settlement Service.

10.3 Purchases

You agree to and must ensure that all funds required to settle the relevant Exchange Transaction, and all brokerage, taxes costs, duties and charges in respect of that Exchange Transaction, are made available in your Cash Account before you place the Order in respect of that Exchange Transaction for withdrawal by Morrison Securities. Payment in cash is not acceptable.

On the execution of an Exchange Transaction, which will, on settlement, require you to pay an amount of money to the Licensee, Morrison Securities, you acknowledge that the amount will be “locked” in your Cash Account. From that time, you will not be entitled to withdraw those “locked” funds from the Cash Account. Only Morrison Securities will be entitled to use those funds for the purposes of settling the relevant transaction or otherwise as permitted under this agreement.

You authorise Morrison Securities to:

- (a) appropriate any credits, payments receipts or amounts to which you are entitled (including amounts standing to the credit of any trading or cash management trust account); and

(b) set off those credits, payment, receipts or amounts against any amount due or owing by you to Morrison Securities.

You authorise the Licensee and Morrison Securities to dispatch confirmations to you electronically to the email address notified to Morrison Securities by the Licensee on your behalf from time to time for this purpose.

You must promptly check the accuracy of every confirmation sent to you and notify the Licensee immediately of any error that you consider may have occurred. If the Licensee does not receive any such notification from you within 24 hours, you will be taken to have accepted the accuracy of the Confirmation.

A Confirmation may at any time be re-issued to you in order to correct any errors or omissions and the terms and conditions of the original Confirmation will apply in relation to the reissued Confirmation.

If you are a Wholesale Client for the purposes of the ASIC Market Integrity Rules, Morrison Securities and the Licensee may elect not to give any Confirmations to you in relation to Exchange Transactions executed for you. If Morrison Securities and the Licensee so elect, this document is taken to be the notification required to be given by Morrison Securities to you under the ASIC Market Integrity Rules.

For more information on the circumstances in which you may make a claim on a compensation fund contact:

- in relation to transactions on ASX and the NGF, you can contact ASX or the Securities Exchanges Guarantee Corporation Limited ABN 19 008 626 793; or
- in relation to transactions on another Australian Exchange, you can contact that Australian Exchange.

The Chi-X Operating Rules require the following disclosure to be given to retail clients of Morrison Securities:

"Chi-X and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations.

The Chi-X compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Chi-X participant, subject to certain exceptions. In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss.

If you do not expressly or impliedly instruct your stockbroker, who is a Chi-X participant, to execute your trading instructions on the Chi-X market, and it is not reasonably apparent from the usual business practice of your stockbroker which of the ASX or Chi-X market the participant would use when acting for you, the Chi-X fund will not apply. In this case, the NGF may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au). Note that if your stockbroker is not an ASX participant, the NGF will not apply in any circumstance."

Neither Licensee nor Morrison Securities takes responsibility for the accuracy of this disclosure. If you have any queries concerning the content of the above disclosure, please contact Chi-X directly on (02) 8078 1700.

Each of Licensee and Morrison Securities has professional indemnity insurance which it considers is adequate having regard to:
